Volunteers in Medicine would like to thank the employees of Boston Scientific for selecting VIM as the beneficiary of their second annual 5K Fun Run/Walk. The rain held off long enough for about 70 employees, family members, kids and dogs to complete the 3.1 mile loop around the company and surrounding neighborhoods.

A \$2,000 check was presented to Nancy Richman, VIM executive director at the starting line on May 9, by Shawn Williams, human resources business partner.

The community-operated, community-owned and community-financed Volunteers in Medicine clinic, a free clinic for the medically underserved in Monroe and Owen counties, is modeled after a national program with a history of success in other communities around the country.

The clinic, which opened in 2007, is located at 811 W. Second St., Bloomington. To make a donation to the clinic, contact the Bloomington Hospital Foundation at 812-353-5002.
